

## **FCC Warning**

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 250cm between the radiator & your body.

These products can operations in uncontrolled RF exposure Environments.

In order to comply with the FCC RF exposure requirements, the antenna installation must comply with following:

Users must be fully aware of the hazards of the exposure and able to exercise control over their RF exposure to qualify for the higher exposure limits.

In order to comply with the FCC RF exposure requirements, the antenna installation must comply with following:

The base station antenna must be installed so as to provide a minimum separation distance of 250cm between the antenna and persons within the area. This antenna should with gain less than 8dBi, VSWR $\leq$ 1.5:1, ZO=50ohms)

## **IC Warning**

This device complies with Industry Canada RSS 119 standard (s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes:

(1) l'appareil ne doit pas produire de brouillage, et

(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC Radiation Exposure Statement:

This equipment complies with IC RF radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 250cm between the radiator & your body.

IC exposition aux radiations:

Cet équipement est conforme avec IC les limites d'exposition aux rayonnements définies pour un contrôlé environnement.

Cet émetteur ne doit pas être co-localisés ou fonctionner en conjonction avec une autre antenne ou émetteur.

Cet équipement doit être installé et utilisé avec un minimum de 250cm de distance entre le radiateur et votre corps.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

In order to comply with the IC RF exposure requirements, the antenna installation must comply with following:

The base station antenna must be installed so as to provide a minimum separation distance of 250cm between the antenna and persons within the area. This antenna should with gain less than 8dBi, VSWR $\leq$ 1.5:1, ZO=50ohms)
